Cancellation and Travel Insurance

An individual TREX Participant (Program Leader, student, teacher, chaperone, etc.) may cancel their booking without penalty up to 60 days prior to departure (minus any stated non-refundable deposits). A refund in the amount of 75% of the selected package price will be issued for cancelled bookings between 30-59 days prior to departure. No refunds will be issued for cancellations less than 30 days prior to departure. In the event that cancelled bookings cause the number of total paying passengers to fall below the stated minimums, Orange Sky reserves the right to adjust inclusions or increase the TREX package price (per person). A TREX involving air, cruise, or train travel may be subject to additional travel cancellation and/or transportation supplier fees. In the event that Orange Sky Travel must cancel a TREX for a reason outside the control of the group, organization, district, etc. (ie. inclement weather, natural disaster, etc.), we will offer to reschedule or provide individual credit for future travel. If a protection plan has not been purchased for the entire group, travel insurance is available for individual purchase at orangeskytravel.com/travelprotection.
